<b>Soccer Coaching Experience</b>	I work as an assistant football coach for Soccer Coaching Limited, delivering football based activities within Infant, Junior and Primary schools as part of PE curriculum or Extra-Curricular Clubs. I have also coached my local Sunday team which I play for giving me experience with a good level of players.			
<b>Soccer Playing Experience</b>	As a young child I was brought up in a football environment, which has helped me gain great interest in the game. I have previously played for Mytchett Athletic Football Club where I was team captain for several years. I now play Centre Back for Camberley Town U18s. I have good knowledge of the game and I feel I can play at a high level, I have also played for my school and college teams winning the local league and county cup.			
<b>Education Background</b>	I have been very successful within my education and schooling. I have successfully gained 9 GCSEs passing each one. I have also gained an AS Level in Business studies and an A Level in Design Technology. I plan to further my education when I return to the UK in November.			
<b>Interests and Hobbies</b>	<p>I participate in a variety of sports including football, golf, and fitness training. I am very active and outgoing person. I have previously completed the Duke Of Edinburgh Bronze and Silver awards.</p> <p>Outside of sport I enjoying socializing and meeting new people. One of my life's goals is to travel around different countries and by doing so I feel I would gain even more confidence and get a great chance to meet new people.</p> <p>I like to spend time relaxing after my set job is completed at a high standard.</p>
