Soccer Coaching Experience	<ul style="list-style-type: none"> • When beginning college I started to coach first aid and then become more involved with the coaching of younger teams within the Merseyside area, two of which won the Craven minor and West Lancashire leagues. • During my 4 years at Leeds University I assisted in coaching the university football teams, finishing league runners up on numerous occasions. Further from this I went on to manage the University 3rd team for 1 season. • I am currently finishing up on what will be two months coaching experience on summer camps mainly based in the L.A area. 				
Soccer Playing Experience	<ul style="list-style-type: none"> • Before coaching I have always represented my local club and school sides in which I have won leagues and cups, after then being selected for my college team I proceeded this by being selected for my university team through-out my university time where we finished league runners up on two occasions and was selected as team captain. 				
Education Background	<ul style="list-style-type: none"> • Graduated from the University of Leeds in July 2008 with a B.A honors degree in Marketing. 				
Interests and Hobbies	<ul style="list-style-type: none"> • I enjoy watching and playing a range of sports that predominantly include Football, Badminton, Tennis, but also further include Boxing, Motor racing, Cricket. • I enjoy a wide variety of music genres and like to attend numerous music performances and festivals. • After travelling round Asia and now experiencing the west coast of America, travelling and seeing new places along with meeting the numerous different people along the way has become one of my favoured hobbies. 				
5 Greatest Personal or Career Achievements	<ul style="list-style-type: none"> • Graduating from University. • Winning the Merseyside cup with school team. • Winning the Sefton championships for my local team. • Traveling around Asia. • Being selected to manage and captain the University soccer team. 				
Quote From the New Employee	<p>I think it is vital that through-out the learning and developing stage of soccer that the game should be enjoyed by all participants of all ages and abilities and that the game itself is the best teacher not constant interference from numerous peers leading to confusion from the player. I aim to get the best out of the player/coach and aid in developing their strengths in order for them to succeed and progress to a higher level.</p>
